Home Builders Association Announces CiTiRAMA® 2010 In Historic Northside

CINCINNATI – The Home Builders Association of Greater Cincinnati and the City of Cincinnati are pleased to announce a partnership to present CiTiRAMA® 2010 at Rockford Woods in historic Northside. The ninth edition of the show will take place from June 3-20, 2010 and will be sponsored by Northside Bank and Trust Company.

CiTiRAMA®, the sister show to the HBA's annual HOMEARAMA®, will feature up to 12 new homes priced between \$170,000 and \$230,000. In-Line Development is the developer for the show. A number of builders have already purchased lots and a few lots still remain. The participating builders will be announced following the show lot draw in early November.

“After our successful HOMEARAMA® this fall, we are pleased to announce our plans for CiTiRAMA® next June,” says HBA Executive Director Dan Dressman. “This allows HBA builders to showcase urban lifestyles in an up and coming neighborhood. I am extremely grateful for the support we have received from the City of Cincinnati, Northside Bank and Trust and David Wittekind of In-Line Development. We are looking forward to a successful CiTiRAMA® next summer.”

CiTiRAMA® 2010 will kick off on Tuesday, June 1st with a ribbon-cutting ceremony, to be followed one day later by a VIP Preview Party for HBA members and their guests. The show itself will be open to the public daily beginning on Thursday, June 3rd through Sunday, June 20th. Show hours are 4:00-9:00 p.m. Monday through Friday and Noon-9:00 p.m. on Saturday and Sunday. Tickets which will be available at the gate are just \$5 for adults and children 12 and under will be admitted free when accompanied by an adult.
