High Pointe Custom Homes/Summit Custom Home Builders Wins Top HOMEARAMA® People's Choice Award

CINCINNATI – High Pointe Custom Homes/Summit Custom Home Builders have been named the HOMEARAMA® People's Choice Favorite Home award winner, the Home Builders Association of Greater Cincinnati announced at its general meeting on Thursday night (Oct. 15). With over 1,100 votes tallied, the Lebanon-based sister companies were the winners by a margin of just 64 votes.

In addition to the Favorite Home accolade, High Pointe/Summit also won the Favorite Decorating Award for the work done by Amy Holt and Sara Berninger of Interiors by Nancy Paul and Julie Bell. The final award, Favorite Landscaping, was claimed by Grand Estates by Fischer Homes. Performing the winning work on that home were Gayle A. Frazer and Associates and Bob Meyer Landscape Service.

“The people have spoken and we are pleased to announce High Pointe Custom Homes/Summit Custom Home Builders and Grand Estates by Fischer Homes as the winners from this year's HOMEARAMA®,” HBA Executive Director Dan Dressman stated. “We had over 1,000 votes in each of the three categories and we wish to thank all of the patrons that not only took the time to vote for the awards, but also for attending the show. It was a great show and we are pleased to congratulate the winners.”

High Pointe Custom Homes/Summit Custom Home Builders also earned 11 awards during the voting conducted by an independent panel of industry judges during the show. Included in that list of awards was second place for Favorite Home and first place for Favorite Traditional Decorating and Favorite \$2500 Design Bedroom.
