## ATTENTION GOLFERS

Don't golf? Don't worry! "This is a "Best Ball Scramble". All you have to do is make your club come in contact with the ball, be able to carry the ball to the leading position on your team, hit again and find three other players willing to accept this method of play. In other words, all players hit their ball, play their next shot from the best position hit by a member of their team and one score is recorded for the team. It's so easy and so much fun!!!
