

Member ← 2 → Member Discount Program

The HBA has always encouraged members to do business with other members, and this program is a tool to connect HBA members succeed in business together. The program will help HBA members promote discounts HBA members offer exclusively to other members.

How it Works:

- 1.) Members list company information along with a discount available **only** to fellow HBA members (all members, builders only, or associates only). **Listings are free!**
- 2.) All listings will be published on www.cincybuilders.com, via e-mail, in *HBA Newsline*, and at association events and meetings.
- 3.) Inquiring members view the listings on www.cincybuilders.com.
- 4.) Members must use the contact information in the listing to reach the company offering the discount.

Why Participate?

- **Free exposure** to over 700 HBA member companies, including nearly 300 builders.
- Update your listing as often as once per month with new information or new offers.
- We can track how many visit the discount webpage.
- Help fellow members through the down market by patronizing fellow members and offering discounts.
- **Added bonus:** Make your listing stand out with a logo linked to the website of your choice for only \$100.
