HOMEARAMA®

Long Cove in Deefield Township

7daysforsids.com

For the 4th year in a row, HOMEARAMA® is teaming up with the SID Network of Ohio to take part in 7 Days for SIDS; a one week fundraiser for Sudden Infant Death Syndrome.

Each year in the United States more than 4,500 infants die suddenly with no obvious reason. SIDS is still the 3rd leading cause of infant mortality in the US and the first leading cause of death among infants less than one year old.

Renowned Chef Jean-Robert de Cavel and his wife Annette founded 7 Days for Sids in 2003 after the loss of their daughter, Tatianna.
