

2025 Build PAC

Build-PAC is a political action committee affiliated with the Home Builders Association of Greater Cincinnati. Build-PAC provides financial support to political candidates, regardless of party affiliation, who respect the legitimate interests of the housing industry as it strives to satisfy the community's need for more housing.

Build PAC Benefits:

- Strengthens our industry by supporting state and local political candidates who work to eliminate unnecessary and costly regulations.
- Protects your financial interests by supporting political leaders who understand and support our industry's position on the complex land-use matters.
- Balances the lopsided scales in the growth debate by helping to build a pro-housing, pro-growth attitude among our elected officials.
